AGENT DAY 2018: CATTOLICA GROUP AGENTS GATHERED IN VERONA FOR THE PRESENTATION OF THE 2018-2020 BUSINESS PLAN

Chief Executive Officer Alberto Minali met with the distribution network at the Cattolica Center

Roadshow planned with 8 stops all over the country

Verona, 12 February 2018. This morning, Cattolica Group agents from all over Italy met at the Cattolica Center in Verona to take part in Agent Day 2018, an event dedicated to the distribution network, during which Chief Executive Officer Alberto Minali presented the 2018-2020 Business Plan.

During the convention, Alberto Minali stated: "It's the first time that every agent of the Group has come together at the Cattolica Center. I pushed strongly for Agent Day 2018 so that I could thank them for the work they have done and prepare them for what we must face together in coming years. We are called upon to build a Company that is increasingly more innovative, flexible and responsive, one that can respond quickly to challenges on the market. The network represents a fundamental point of reference for the Group: for its regional presence, for developing insurance activity, and for the values of this Company."

The meetings will continue over the coming weeks with a series of events to discuss business activities in detail. The roadshow will stop in 8 places, including Italy's main cities: Turin, Milan, Bologna, Naples, Catania, Florence, Venice (Ca' Tron), and Rome.

The Cattolica Assicurazioni Group operates in Italy with 1,967 agents and 1,494 agencies distributed throughout the entire country.
