### CATTOLICA ASSICURAZIONI SUPPORTS POLICYHOLDERS AFFECTED BY THE STORM OF 23 AUGUST

#### A SPECIAL FUND FOR EMPLOYEES HAS ALSO BEEN CREATED

---

Verona, 25 August 2020. Cattolica Assicurazioni is supporting policyholders who have experienced damage and disruption due to the violent storm that hit the Verona area in particular and the rest of Veneto on Sunday, 23 August.

To process claims quickly, the Group has made its agency network available, fast tracking customers affected by the bad weather. The Company has set up a task force for all its policyholders, to provide accurate and rapid responses to all questions and requests for information that may be received. The Operating Unit involved is planning for the direct involvement of claims settlement and specialist expert studies on the management of this type of event, in close collaboration with the technical underwriting units, the sales and marketing department and the agency network.

In view of the difficulty of the situation, the Group has also decided to set up a fund to provide loans to any of its employees affected by storm damage.

Expressing solidarity with all citizens affected by this spell of bad weather, Cattolica wants to reaffirm with these initiatives its commitment to putting people and their needs at the heart of its business.
