CATTOLICA ASSICURAZIONI AND TRADE UNION ORGANISATIONS SIGN EMPLOYMENT PROTECTION AGREEMENT

Employment levels confirmed in advance of the agreement with Generali

Verona, 28 July 2020. Confirmation of employment levels and the organisational division into three hubs (Verona, Milan and Rome) and a guarantee on current workplaces. These are the contents of the agreement signed between Cattolica Assicurazioni and the corporate trade unions.

As well as protecting jobs and workplace locations, the agreement includes initiatives to enhance existing roles with further development through training.

The agreement was signed between the parties in a very positive labour relations atmosphere, in anticipation of the partnership between Cattolica and the Generali Group. It is designed to provide individuals and families with the peace of mind they need in view of the changes that the Group will undergo in the next few years.

Cattolica Assicurazioni is one of the main players on the Italian insurance market and the only cooperative company in its industry to be listed on the Milan Stock Exchange, where it has been present since November 2000. With more than 3.5 million customers who rely on the insurance solutions and products it distributes, the Group has total premiums of nearly €7 billion (2019). At the Group level, Cattolica has 1,389 agencies throughout Italy, covering both large cities and smaller towns, and a network of 1,886 agents.
